PUT YOUR ENERGY

INTO BUILDING YOUR BOTTOM LINE.

From renovating an old warehouse to running the local coffeehouse, you work hard for your money. That's why, at MidAmerican Energy, we work hard to provide you with affordable, reliable energy. Our investments in clean, renewable wind energy help keep your electric rates low. And, through energy efficiency programs, we provide you with ways to save energy at home and at work. Whether you're running a business or a household, it's our business to be obsessively, relentlessly at your service.

SAVE MONEY AND ENERGY

At MidAmerican Energy, we're more than just your energy provider, we're your partner. Together, we're changing the energy landscape by pioneering money-saving energy efficiency programs and building a new industry in Iowa – wind energy – all while keeping your rates low.

That's our focus for tomorrow too – we will continue to deliver on our 100% renewable energy vision AND will still bring you cost-effective energy efficiency programs while putting money back in your pocket – so you can decide how to best spend your savings.

Our partnership is good for you, good for the environment and good for Iowa...it's another way we are obsessively, relentlessly at your service.
