

--- MAKE EVERY DAY ---

Earth Day

Sign up for a free PowerShift Smart Thermostat and Home Energy Assessment from NV Energy and every day becomes Earth Day. That's because these products and services help reduce our energy use which lessens our impact on the environment. In fact, since 2005, Nevada has reduced carbon emissions by more than 44 percent – which makes us, and Mother Earth, very happy.

Get a **FREE PowerShift Smart Thermostat** installed at the same time as your free Home Energy Assessment, and you could receive additional energy-saving items at no cost.
